
CHANGAN
SINCE 1862
CS75 PRO

# CHANGAN CS75 PRO

The CS75 Pro is more than an SUV – it's a statement of progress. Designed to evolve with your lifestyle, it combines commanding presence, intelligent technology and refined comfort in one bold package.

With its powerful performance, advanced driver assistance systems, and elevated cabin space, the CS75 Pro gives South Africans a chance to experience world-class quality without overpaying for prestige.

It's an SUV built for families, professionals and pioneers who want more from every drive. More confidence, more capability and more reasons to believe the future is already here.

# A FULLY LOADED TOMORROW, TODAY.

The CS75 Pro brings the future into the present with an SUV that's loaded with features you'd expect to see only in the premium class.

From its intelligent driver-assistance systems and panoramic 360° camera, to its expansive infotainment touchscreen and refined seven-seat cabin, every detail is designed to deliver on unexpected value.

Powered by a turbocharged engine and supported by a suite of next-gen technologies, the CS75 Pro proves that tomorrow's driving experience doesn't have to wait. It's here, fully loaded, for South Africa today.

CHANGAN

Chrome Finishing
(Front Grille & Door Frame)

# DYNAMIC ROAD PRESENCE

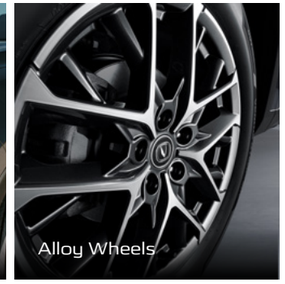
At first glance, the CS75 Pro commands attention with its bold mesh grille, framed by sharp LED daytime running lights and premium chrome detailing. It's a front design that sets the tone - confident, powerful and unmistakably modern.

## SCULPTED FOR MOTION

Every line of the CS75 Pro is crafted for aerodynamic efficiency and visual impact. From its flowing profile to its sporty roofline and integrated rear spoiler, the design strikes a balance of urban edginess in a modern silhouette.

Auto fold-in and heated mirrors

LED DTRL



Alloy Wheels

## DETAILS THAT DISTINGUISH

19-inch alloy wheels, chrome accent and sleek lighting signatures combine to elevate the CS75 Pro's exterior to new levels of sophistication. These finishing touches don't just add flair - they reflect the SUV's ambition to stand out as a premium contender in its class.

## POWER THAT INSPIRES CONFIDENCE

At the heart of the CS75 Pro is a 1.5L turbocharged petrol engine, delivering 138 kW of power and 300 Nm of torque. This balance of power and efficiency ensures that every drive feels commanding, whether in the city or on the open road.

## SEAMLESS GEAR CHANGES, EVERY TIME

Whether you prefer the hands-on feel of the 5-speed manual or the ease of the advanced DCT automatic, gear shifts are smooth, acceleration is steady and handling feels secure - perfect for both city commutes and open-road journeys.

## ENGINEERED FOR SOUTH AFRICAN ROADS

The CS75 Pro is engineered with real-world ownership in min, balancing performance, fuel economy and running costs. Choose from various drive modes and enjoy built in eco-conscious features, for a drive that's designed to make every journey go further.

Electric Sunroof

# CRAFTED FOR EVERY JOURNEY

Step inside the CS75 Pro and you'll find a cabin designed with thoughtfulness and precision. From its spacious 5 and 7-seat options to the carefully appointed finishes, it's a space built to elevate every family drive.

## SMART COMFORT IN EVERY DETAIL

The ergonomic cockpit surrounds the driver with intuitive controls and tactile console buttons. A 10.25-inch infotainment touchscreen and multifunction steering wheel ensure that connectivity and convenience are always within reach, while soft-touch finishes enhance the sense of refinement.

Leather Steering Wheel
Microfibre Leather Seats (CE models)

Electric Windows
(Front & Rear)

## LUXURY YOU CAN FEEL

Passengers are treated to supportive seating with light colour trim options, while the front row seats are equipped with heating and ventilation. Generous legroom, and an airy interior that makes long trips, a breeze. Every surface and touchpoint have been crafted to bring unexpected sophistication to the SUV segment, setting a new standard for what every day driving can feel like.

## SMART ACCESS, EFFORTLESS START

With keyless entry and a push-button start system, getting on the road feels seamless and sophisticated. No fumbling for keys - just a modern, connected experience that lets you focus on the journey ahead.

Push Start / Stop Button

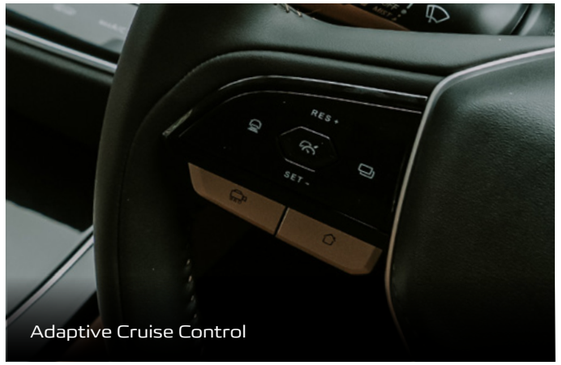
Front & Rear Parking Sensors

## CONFIDENCE AROUND EVERY CORNER

Parking has never been easier, thanks to front and rear parking sensors and a parking brake with auto hold. Whether you're sliding into a tight city space or navigating a busy mall parking lot, the CS75 Pro gives you the reassurance of extra eyes and smoother control.

## ADAPTIVE CRUISE, EVERYDAY EASE

Long drives are made effortless by adaptive cruise control, which automatically adjusts your speed to keep a safe distance from vehicles ahead. Its tech designed to reduce fatigue, make highways more relaxed, and bring next-level safety to your everyday driving.



Adaptive Cruise Control

## SPACE THAT WORKS WITH YOU

The CS75 Pro makes everyday life easier with generous cabin space designed for families and professionals alike. Its luggage compartment offers ample volume, while 60/40 split-folding rear seats expand versatility for larger loads.

Whether it's weekly errands or weekend adventures, the CS75 Pro adapts to your lifestyle.

## FLEXIBLE AND PRACTICAL, WHERE IT COUNTS

From cup holders thoughtfully placed throughout the cabin to USB ports for front and rear passengers, every detail has been designed to keep you connected and comfortable. Smart storage compartments ensure that there's always room for the essentials - and the not-so-essentials - making the CS75 Pro as practical as it is stylish.

Armrest with cupholders for 2nd row seats

## EFFORTLESS EVERYDAY UTILITY

Convenience comes standard, with features like a rear electric tailgate for easy loading and roof racks that make carrying bikes, surfboards, or luggage boxes simple. Add third row seat folding, and the CS75 Pro transforms from an SUV into a practical partner for South African families on the move.

# SMART DRIVER DISPLAYS

The CS75 Pro keeps you fully informed with a digital driver display that places key information right in your line of sight. From speed to navigation prompts and vehicle health, every drive feels more intuitive and connected - in real time.

## SEAMLESS INFOTAINMENT

At the heart of the cabin is a large touchscreen infotainment system designed to integrate your digital world with your driving experience. With Bluetooth connectivity, intuitive menus, and support for media streaming, the CS75 Pro let's you take your connected-life on the road, with you.

10.25-inch Infotainment System

6-speaker Pioneer system

## CONNECTED CONVENIENCE

Beyond entertainment, the CS75 Pro brings modern driving tech to your fingertips - including intelligent voice control, a 360-degree panoramic camera feed and smartphone integration. These features transform the SUV into a connected hub, keeping you connected while you're on the move.

# SMART PREVENTION, SAFER DRIVING

The CS75 Pro is equipped with forward collision warning and autonomous emergency braking, helping you avoid accidents before they happen. Its electronic stability programme works seamlessly with traction control to keep the vehicle steady, whether you're cornering, braking, or navigating tricky road surfaces.

## PEACE OF MIND

With driver and passenger airbags, the CS75 Pro is designed to shield every occupant in the event of a collision. Add in collision auto unlock for quick exit after impact, and you've got peace of mind that you and your passengers are always safeguarded.

360° Reverse Camera

## SAFETY THAT'S DESIGNED TO EVOLVE

Every safety innovation in the CS75 Pro reflects Changan's commitment to its promise of being "Driven To Evolve." It's not just about protecting you today - it's about ensuring confidence, security, and peace of mind for every journey tomorrow.

4x airbags

## ADVANCED DRIVER ASSISTANCE

From steep inclines to challenging descents, hill start assist and hill descent control give you full confidence on South Africa's diverse roads. And with a 360-degree parking camera, manoeuvring in tight spaces becomes safer and stress-free.
